

# Weston Primary School

Welcome back to all our families, especially those new to Weston.

What a bright and positive start to our new school year we have had! I was so proud and happy to see all our students return to school looking so smart and so much taller in their uniforms and with smiles on faces. Our new reception children have been amazing and have enjoyed playing and learning together in their new classroom this week and have been absolutely wonderful – we are so excited to see them grow with us.

We are extremely proud of our recent OFSTED GOOD grading and report and we will certainly be celebrating our successes with the children at the end of the half term with a special FUN DAY for being FABULOUS!

See you all on Monday!

## House System

This year we be re introducing the House system in school. There will be 4 houses each coloured either red, yellow, green or blue.

Your child will be told which house they will in next week.

We will be holding House Days during the last week of every half term where the children will wear their house colours and enjoy team events and activities within their class and across the school to try and earn enough points to win the 'House Cup' for each half term.

Congratulations to Year 2 on having the highest weekly attendance at 100%
