

Spring 2 - Year 3

Knowledge & Understanding of the World

History

During this topic, we will be looking at the achievements of the Ancient Egyptians. We will be studying what life was like in Ancient Egypt and some of their beliefs.

Geography

We are studying the landmarks and natural features of Egypt through map work this half term. We will look at the importance of the River Nile and the geographical position of Egypt in the world.

Computing

This half term we will be editing photographs, exploring digital maps and looking at algorithms and conditional events in programming.

Science

Our Science focus for is The Human Body. We will be learning about nutrition, our skeleton and muscles and learning body part names and their functions.

Problem Solving & Reasoning

Maths

This half term, we'll be focusing on Lines and shapes, Time, Addition and Subtraction and Money.

Personal, Social & Emotional Development

PSHE Jigsaw

Our PSHE topic this half term is "Healthy Me."

RE

This half term we will be studying the beliefs and traditions of Sikhism.

Creative Development

Music

This half term we will be singing and playing music from around the world including "The Dragon Song."

Art

We will be looking at Craft and Design - creating a scroll influenced by the imagery and patterns of Ancient Egyptian Art.

D.T.

Seasonal Healthy Eating will be the focus of our D.T. work as we practice knife skills to create a seasonal vegetable tart.

PE

This half term we will be learning the skills of Cricket and Swimming at the local Swimming Pool.

Spring Term 2

Communication, Language & Literacy

Literacy

This half term we will be using "Big Blue Whale" by Nicola Davies as a stimulus for writing informative and persuasive articles. We will also write fact files, letters and poems.
