

## Autumn 2- Year 3

### Knowledge & Understanding of the World Humanities

During this term-long topic, we'll be looking at the changes in Britain from the Stone Age to the Iron Age. We'll be learning about how people survived in the 'Savage Stone Age'.

### Computing

This half term we will be finishing our very own animations to form animated storyboards.

### Science

Our Science focus for this half term is Rocks. We will be learning to compare and group rocks based on their properties and we'll be learning how fossils are formed.

### Design Technology

We'll be learning about Stone Age Shelters and tools and using these as inspiration for designs of our own.

### Problem Solving & Reasoning

#### Maths

This half term, we'll be focusing Subtraction, multiplication & division.

## The Stone Age

### Personal, Social & Emotional Development

#### PSHE

Our PSHE topic this half term is developing skills to be 'Self Managers'.

#### RE

Our RE topic for the year is centred on the theme of Founders & Leaders. This half term, we'll be discussing what it takes to become a leader through the question, 'Who has the X factor?'

### Communication, Language & Literacy

#### Literacy

##### Reports:

We'll be creating Non-Chronological reports on Stone Age animals.

### Creative Development

#### PE

This half term we will be working with our specialist sports coach on our topic of Gymnastics.

#### Music

We'll be preparing for our Christmas performances.
