

Pencil Control: Pattern Worksheet 1

Can you follow the lines to make the patterns?

The worksheet contains seven rows of handwriting practice. Each row is bounded by two horizontal lines, with a thick purple line above and below. The first row is split into two halves by a vertical purple line. The left half shows a solid purple zigzag line connecting colored dots (blue, red, yellow, orange, purple) on the lines. The right half shows a dashed purple zigzag line with the same colored dots. The second row shows a solid purple zigzag line followed by a dashed one, with colored dots at the vertices. The third row shows a dashed zigzag line with colored dots. The fourth row shows a dashed zigzag line with colored dots. The fifth row shows a dashed zigzag line with colored dots. The sixth row shows a dashed zigzag line with colored dots. The seventh row shows a dashed zigzag line with colored dots. Each row has a small purple arrow pointing right at the start of the line.

Can you follow the lines to make the patterns?

The worksheet consists of seven rows of pencil control exercises, each bounded by two horizontal purple lines. The first row is split into two sections by a vertical purple line. The first section shows a solid purple zigzag line with colored dots (blue, red, yellow, green, red, purple) and arrows indicating direction. The second section shows a dashed purple zigzag line with colored dots and arrows. The second row shows a solid purple zigzag line followed by two dashed purple zigzag lines with colored dots. The third row shows a solid purple zigzag line followed by four dashed purple zigzag lines with colored dots. The fourth row shows a solid purple zigzag line followed by two dashed purple zigzag lines with colored dots, and then four individual colored dots (cyan, yellow, blue, red, green, orange) scattered below. The fifth row shows a solid purple zigzag line followed by six dashed purple zigzag lines with colored dots. The sixth row shows a solid purple zigzag line followed by four dashed purple zigzag lines with colored dots, and then six individual colored dots (cyan, blue, red, green, red, cyan, blue, yellow) scattered below. The seventh row shows a solid purple zigzag line followed by eight dashed purple zigzag lines with colored dots.

Can you follow the lines to make the patterns?

The worksheet consists of several rows of handwriting practice on lined paper. Each row is bounded by thick purple horizontal lines. The patterns are as follows:

- Row 1:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. Each shape has colored dots at its vertices (top, bottom, left, right) and arrows indicating the starting point and direction of the stroke.
- Row 2:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 3:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 4:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 5:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 6:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 7:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.
- Row 8:** A solid purple circle, followed by a dashed purple circle, then a solid purple diamond, and finally a dashed purple diamond. The shapes are connected by lines.

Can you follow the lines to make the patterns?

The worksheet features several rows of handwriting practice. Each row consists of four horizontal lines. The patterns are as follows:

- Row 1:** A solid purple line with a vertical bar in the middle. To the left of the bar are two arches (one blue, one orange) and a zig-zag (one blue, one orange). To the right of the bar are two dashed arches (one blue, one orange) and a dashed zig-zag (one blue, one orange).
- Row 2:** A solid purple line. The first two arches and the first zig-zag are solid purple. The remaining arches and zig-zags are dashed.
