Learning Project WEEK Beginning 18.1.21– Space

Age Range: Year 1

Weekly Reading Tasks

Weekly Phonics Tasks

Monday- Start to practice reading this week's keywords –
by, oh, I'm, into
Rainbow writing – write the word 7 times with each colour of the rainbow with colouring pencils. Great for muscle memory.

Monday- Watch the pre-recorded lesson introducing this week's sound – oi
Make a set of green words with the oi sound in them-
join, coin, voice, choice, noise
How quickly can you read them? Can you put them around the house to read?

Tuesday Read a book you love from home. Why not set up a Zoom call and read to your Grandparents?

Tuesday- Practice oi.
Read and write your green words with the oi sound in them. Can you write a sentence with an "oi" sound word in it? EG. I saw a coin in the soil.

Wednesday Read a book on Epic.
There are lots of books on Space [Jeff rides a Spaceship](#)

Wednesday- Watch the [video](#) and practice writing the green words containing the oi sound. How many can you read before the time runs out?

Thursday
Read "[Whatever Next](#)" Can you retell the story to a grown up?

Thursday
Practice writing some oi sound words on Seesaw

Friday- Complete a full lesson on Reading Eggs

Friday- Play [Galactic Phonics](#) press the buttons to spell out the oi/oy sound words,

Weekly Writing Tasks

Monday- Listen to [The First Hippo on the Moon](#) again
Create a Story Map of what happens in the story. Sees Seesaw

Tuesday Practice *d* in joined up writing. See Seesaw

Wednesday- Watch the two pre- recorded lessons on Seesaw and send me a photo of the sentences you write.

Thursday- Quiz day
Get a grown up to test how many words you know from this week! If you get them wrong just practice them again.

join, coin, voice, choice, noise.

by, oh, I'm, into

Weekly Maths Tasks – Subtraction

Monday- Watch the video lesson on Seesaw assigned today and complete activities on video- Subtraction by counting back . Complete True or False on Page 2.

Tuesday- Live Zoom Lesson at 10.30 am
Have a pen and paper ready to complete some subtraction by counting back then complete the activities on seesaw.

Wednesday- Make a number line and a set of digit cards to 20 that we can use in the coming weeks. Take care to write your digits the right way round.

| | | | |
|----|----|----|----|
| 1 | 2 | 3 | 4 |
| 5 | 6 | 7 | 8 |
| 9 | 10 | 11 | 12 |
| 13 | 14 | 15 | 16 |
| 17 | 18 | 19 | 20 |

Thursday- Play Hidden Objects to help learn to subtract by counting back

Maths Mastery Home Learning Challenge

Adult Guidance

What Are We Learning?
We are learning to subtract by counting back.

How to Set up the Challenge

- Place up to ten small objects on a tray.
- Once counted, the tray can be covered by a towel.
- When objects are removed from under the towel, place them next to the tray so that they can see how many you have taken away.

How to Get Your Child Thinking

- How many things were on the tray?
- How many did I take away?
- Can you put the starting number in your head?
- Can you count back to find how many are left?

Hidden Objects Counting Back Subtraction

- Your partner will place up to 10 objects on the tray.
- Count the objects.
- Your partner can cover the tray. They can then carefully take some away and put them by the side of the tray.
- How many did they take away?
- Count back to find out how many are still on the tray.

Friday- Live Zoom Lesson – 10.30am
Have lined paper and a pencil ready as we are writing describing sentences.

Friday Complete the task on Seesaw – subtracting by counting back.

Learning Project - to be done throughout the week

This project this week aims to provide opportunities for your child to start to learn about Space. This week we will learn about astronauts.

PE

Have some fun on [Just Dance Space](#) on You Tube.

Forest School/Wellbeing

Go on Gratitude Walk.

5-4-3-2-1

Find 5 things you can see, 4 things can you touch, 3 things you can touch, 2 things you can smell, 1 thing that you love on your walk.

Wellbeing

Listen to [The Very Hungry Worry Monster](#)

Can you design your own Worry Monster and make a list of worries it can gobble up? See Seesaw for activity on Monday

What do astronauts do?

See Seesaw activity on Monday 18th

What is an astronaut?

Watch the [online lesson](#) about astronauts . What are the three different space jobs you could do? Which job would you like to do?

“If I could work in space I would want to be a” Send me your answers on Seesaw please.

Watch the video about astronauts

Watch [the video](#) and learn some more facts about astronauts.

Go onto NASA Kids webpage

Play some games on the National Aeronautics and Space Administration [website for kids](#).

Watch the Live Lesson on Zoom

Thursday 20th January 1:30pm and complete What do Astronauts Need? on Seesaw

Watch Charlie Bear Blast Off to the Moon

[Watch the video](#) and look carefully how Charlie Bear is dressed to go to the moon. Can you dress your teddy as an astronaut?

[Make a helmet](#) and dress him carefully however you choose – you can use tin foil etc...
